# Tsz-Kin (Eric) Lai

#### Ph.D. Candidate

Department of Atmospheric and Oceanic Sciences, McGill University

Room 945, Burnside Hall, 805 Sherbrooke Street West, Montreal, Quebec H3A 0B9, Canada

☑ eric.lai@mail.mcgill.ca 

☑ www.meteo.mcgill.ca/~tklai

#### Research Interests

Tropical Cyclones, Mesoscale Convective Systems, Tropical Meteorology, Severe Weather, Cloud Dynamics

#### **Education**

# PhD Candidate in Atmospheric and Oceanic Sciences

2015-Present

McGill University

Montreal, Canada

## MSc in Atmosphere, Ocean and Climate

2013

University of Reading

Reading, UK

- Dissertation: Emergence of Tropical Cyclones in Baroclinic Waves
- o Supervisors: Prof. John Methven and Dr. Rosalind J. Cornforth
- Graduated with Distinction

## B.Sc. in Physics with minor in Earth System Science

2012

The Chinese University of Hong Kong

Hong Kong

- Bachelor Final Year Project: Advanced Bias Removal Approach using a Kalman Filter for Probabilistic Wind Speed Forecasts During the Period of Tropical Cyclone Influence
- O Supervisors: Mr. Ping Cheung (Hong Kong Observatory) and Dr. Kam-Moon Pang

# Research and Work Experience

Research.....

# **Visiting Graduate Student**

Jul 2019-Oct 2019

Research Application Laboratory (RAL), National Center for Atmospheric Research (NCAR)

Boulder, USA

- o Tropical Cyclone Inner Eyewall Decay in Numerical Experiments
- O Host: Dr. Eric A. Hendricks

#### **Graduate Research Assistant**

Sep 2015-Present

Department of Atmospheric and Oceanic Sciences, McGill University

Montreal, Canada

Tropical Cyclone Eyewall Replacement Cycle

#### Meteorology Researcher

Dec 2013-Jul 2015

Fugro GEOS Ltd. (now Fugro GB Marine Ltd.)

South Oxfordshire, UK

- Participated in meteorological research project on "Improving Forecasts of African Dust Storms" in collaboration with University of Leeds.
- Participated in research project on "Holistic Vessel Performance and Routing System" in collaborations with University of Southampton etc.
- Performed internal projects such as Nigeria lightning statistics and verification of wind speed forecast produced by WRF and GFS.

#### **Voluntary Research Assistant**

Aug 2013-Aug 2015

Department of Meteorology, University of Reading

Reading, UK

o Performed a research project about tropical cyclogenesis based on my masters dissertation.

#### **Summer Intern Student**

Hong Kong Observatory

Summer 2011 Hong Kong

 Worked on "Improving the very short range convective weather forecast for the Hong Kong Flight Information Region (HKFIR)"

Developed an improved forecasting approach based on ECMWF model

#### **Student Research Assistant**

Summer 2010

Institute of Space and Earth Information Science, The Chinese University of Hong Kong

Hong Kong

• Studied the influence of ENSO on the weather in Hong Kong

# Teaching and Technical.....

**Teaching Assistant** 

Sep 2016-Present

Department of Atmospheric and Oceanic Sciences, McGill University

Montreal, Canada

o ATOC214 Introduction: Physics of the Atmosphere (Fall 2016, Fall 2018)

o ATOC184 Science of Storms (Winter 2017, Winter 2018, Winter 2019, Winter 2020)

ATOC181 Introduction to Atmospheric Science (Fall 2017)

## Technical Helper for Community Weather Information Network (Co-WIN)

Summer 2009

Department of Applied Physics, The Hong Kong Polytechnic University

Hong Kong

- Monitored, maintained and upgraded the automatic weather stations of Co-WIN;
- Processed data-testing and apparatus calibration.

## **Selected Honours and Awards**

2019: Graduate Mobility Award, McGill University, Canada

2017–2019: Graduate Research Enhancement and Travel (GREAT) Award, McGill University, Canada

2015–2018: Graduate Excellence Fellowship, McGill University, Canada

2015–2016: Atmospheric and Oceanic Sciences Graduate Award, McGill University, Canada

2012: International Masters Bursary, University of Reading, UK

**2011**: **Individual Second Prize and Team Champion**, The 12th Challenge Cup – National Competition in Science and Technology for University Students, China

2011: Hong Kong Observatory Scholarship, Hong Kong Observatory, Hong Kong

**2011**: **Second Runner-up in Undergraduate Individual Entry,** *Professor Sir Charles K. Kao Student Creativity Awards 2011, The Chinese University of Hong Kong,* Hong Kong

#### **Peer-reviewed Publications**

- Lai, T.-K., K. Menelaou, and M. K. Yau, 2019: Barotropic instability across the moat and inner eyewall dissipation: A numerical study of Hurricane Wilma (2005). *J. Atmos. Sci.*, 76, 989–1013, doi:10.1175/JAS-D-18-0191.1.
- Menelaou, K., M. K. Yau, and T.-K. Lai, 2018: A possible three-dimensional mechanism for oscillating wobbles in tropical cyclone-like vortices with concentric eyewalls. *J. Atmos. Sci.*, 75, 2157–2174, doi:10.1175/JAS-D-18-0005.1.

#### **Presentations**

- Lai, T.-K., E. A. Hendricks, K. Menelaou, and M. K. Yau, 2019: Barotropic Instability across the Moat and Inner Eyewall Decay: Numerical Experiments. AGU Fall Meeting 2019, San Francisco, CA, USA. (oral)
- Lai, T.-K., E. A. Hendricks, K. Menelaou, and M. K. Yau, 2019: Barotropic Instability across the Moat and Inner Eyewall Dissipation: A Real Case Simulation and Numerical Experiments. NCAR MMM Dynamics Happy Hour Seminar Series, Boulder, CO, USA. (invited talk)

- Lai, T.-K., K. Menelaou, and M. K. Yau, 2019: Barotropic Instability across the Moat and Inner Eyewall Dissipation: A Real Case Simulation and An Idealised Experiment. 9th Northeast Tropical Meteorology Workshop, Dedham, MA, USA. (oral)
- Lai, T.-K., K. Menelaou, and M. K. Yau, 2018: Barotropic Instability across the Moat and Inner Eyewall Dissipation: A Numerical Study of Hurricane Wilma (2005). AGU Fall Meeting 2018, Washington, DC, USA. (oral)
- Lai, T.-K., K. Menelaou, and M. K. Yau, 2018: A Dynamical Perspective on Inner Eyewall Dissipation in Hurricane Wilma (2005). AMS 33rd Conference on Hurricanes and Tropical Meteorology, Ponte Vedra, FL, USA. (poster)
- Lai, T.-K., and M. K. Yau, 2017: Emergence of PV Skirts in TC-like Vortices. 8th Northeast Tropical Meteorology Conference, Rensselaerville, NY, USA. (poster)

# **Professional Affiliations**

American Meteorological Society, USA American Geophysical Union, USA

# **Other Professional Experience**

## Founder and President (2010–2011)

The Meteorological Society, The Student Union of the Chinese University of Hong Kong

Hong Kong

# Languages

Cantonese: Native Mandarin: Native English: Fluent

# **Computer Skills**

**Operating Systems**: Unix, Linux, Windows, Mac OS **Programming**: Python, Fortran, Perl (basic), C++ (basic)

**Computing**: MATLAB, Mathematica, R (basic)

**Visualization**: GrADS, IDL, NCL (basic)

**Scripting**: PHP, JavaScript, PowerShell (basic)

Typography: LATEX

Miscellaneous: MySQL, MS Office, HTML, CSS
